ICOPS2015 serves as 2015's premier forum on plasma science and applications and this year exhibitors will have access to plasma scientists from all over the world congregating in Turkey, where East meets West.

Historically, ICOPS has hosted over 500 scientists, educators, engineers, and organizations sharing ideas, concepts and discoveries about plasma science and applications. Over 650 abstracts have been received, with the most coming from China, then the USA, then Russia, Turkey, and then Iran, South Korea, Germany, France, India, United Kingdom, Algeria, Israel, Japan, Italy, and then from dozens of other countries. ICOPS2015 offers an opportunity to interact with many new potential customers.

The mini-course offering on Thursday and Friday will introduce students to the breadth of topics covered by the ICOPS conference.

In addition to the basic booth packages, we are soliciting sponsorship for other aspects of the conference, including social events, food/beverage breaks, evening receptions, the Wednesday evening banquet, student travel grants.
